

Taking the Pain Out of Patient Payments

Collecting patient-owed balances doesn't have to be a painful process. Implement these three billing and payment solutions and watch your A/R improve.

Customized Patient Statements

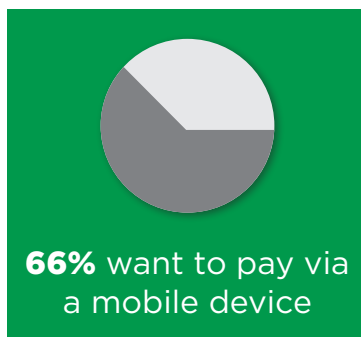

Online Bill Pay Allowing Payments 24/7

Automated Past Due Reminder Texts & Calls

Don't make it harder to collect your money. Know patient consumer behaviors.

What our Customers Are Saying

CUSTOMIZED PATIENT STATEMENTS

Lexington Heart Specialists customized their patient statements with POS Statement Processing and began collecting nearly **\$3,000** more a week from patients.

AUTOMATED PAST DUE REMINDERS

After one week of using automated past due reminder calls, Arlington Orthopedic Associates collected **\$57,000** more than the two weeks prior to using phone call reminders.

ONLINE BILL PAY

Sound Health Services improved their online bill pay utilization as a result of using POS Patient Payment Services. **21%** of their patients now pay online.

THE POS PATIENT PAYMENT SERVICES SOLUTION

*"Prior to working with POS, we averaged 33.3 days in A/R. Once we began utilizing POS Statements, Past Due Reminders and Online Bill Pay, our **days in A/R dropped to 26.5**. POS has made a huge impact for us!"*
