

COVID-19 Telehealth Patient Phone Message

Overlake Family Medicine is committed to the health of our patients. As we continue to operate, we are following all of the appropriate protocols to ensure the safety of our patients and staff. As an added service, for appropriate patients, we are now offering Telehealth (video-conference appointments with your doctor). During the Coronavirus (COVID-19) outbreak, we are continuing to provide care in the office for acute and chronic conditions to ensure the health and wellbeing of our patients. For all appointments, please call 425-378-8190
