Dear Patient,

This letter is to inform you that on December 7, 2022, Emily Bowman, CNP will no longer provide services at Third Street Family Health Services. We wish her the best in her future work and look forward to working with her in the community.

Third Street Family Health Services hopes to continue serving your healthcare needs and would like to introduce to you our other providers who are currently accepting new patients. If you currently have an appointment scheduled that is around the same time as Emily Bowman's leaving date and don't have a preference for which provider you see, we will gladly reschedule you with one of our providers below.

Dr. Keith Davis, MD  
Jennifer Schroeder, CNP

We realize change can be difficult, but we will be sure to keep your health as our first priority. The contents of your medical chart are confidential per federal law and can be transferred to another provider only with your permission and signed consent forms. Should you decide to see a new provider outside of our practice or have questions, please contact us and we will guide you through the proper steps.

Sincerely,

Third Street Family Health Services
