

Welcome

Welcome to **Ophthalmology Associates of Mankato**, a private practice dedicated to providing excellence in eye care. We offer a full range of eye care services from complete vision examinations to sophisticated laser surgery and the most advanced technology in cataract surgery. You will find our staff friendly and knowledgeable with your eye health our number one concern.

COMPREHENSIVE SERVICES

Ophthalmology Associates has been serving the city of Mankato and the Blue Earth County community for more than 50 years, founded by Oscar D. Anderson M.D., a prominent ophthalmologist who retired from practice in 1993. Ophthalmology Associates presently has five highly trained ophthalmologists to serve your medical and surgical needs.

We Provide:

- Comprehensive Adult, Pediatric and Diabetic eye examinations.
- The most advanced technology in refractive cataract surgery including premium intraocular lenses, Toric and Restore.
- The latest techniques in Refractive surgery including "Bladeless Lasik" intralase.
- Cosmetic and functional eyelid surgery, including Botox injections.
- Laser surgery for glaucoma and diabetes.
- Diagnosis and treatment of macular degeneration including Lucentis and Avastin intravitreal injections.
- Diagnosis and treatment of medical eye conditions.

OUR PHYSICIANS:

Steven O. Anderson M.D.

Dr. Anderson is a Mankato native and graduated from Gustavus Adolphus College in 1987. He completed his medical school training at Northwestern University Medical School in Chicago, graduating with honors in 1992. He completed his ophthalmology residency at the University of Minnesota in 1996. Following residency he completed further national and international training in refractive surgery and is board certified. He has practiced ophthalmology for over 16 years with an emphasis on comprehensive ophthalmology and cataract and refractive surgery. He also serves as a clinical instructor in the Department of Ophthalmology at the University of Minnesota and teaches resident physicians eye surgery at the VA hospital in Minneapolis.

In 2008, Dr. Anderson founded **Global Eye Mission** (www.globaleyemission.org), a mission organization created to facilitate the development of long-term eye programs in the developing world. From 2008 - 2013 Dr. Anderson served full-time with his family at Bethesda Mission Hospital on the island of Borneo to establish a new eye program to serve the poor.

Dr. Anderson is married with three children and enjoys spending time with his family, many outdoor activities and international travel.

Seth A. Consoer M.D.

Dr. Consoer grew up in Mankato and then attended the University of St. Thomas where he graduated with a BS in Biochemistry. He went on to earn his medical degree at the University of Minnesota and was elected into Alpha Omega Alpha Honor Society for being in the top of his class. He completed his internship at Hennepin County Medical Center and returned to the University of Minnesota for his ophthalmology residency. He specializes in cataract and refractive surgery.

Timothy P. Kao M.D.

Dr. Kao was born in Iowa and raised in Minneapolis. He earned his medical degree from the University of Minnesota in 2011 before completing an internship at Hennepin County Medical Center in downtown Minneapolis. He returned to the University of Minnesota for his ophthalmology residency where he received an award for excellence in oculoplastics. He had the privilege of providing eye care on a mission trip to Zimbabwe during residency and will continue to do mission work in the future. He joined Ophthalmology Associates in 2015. His specialties include cataract surgery, glaucoma management, medical retina, functional eyelid surgery, laser eye surgery and intraocular injections.

Tim Kao came to Mankato in 2015 with his wife, Aidan, who is a Marriage and Family Therapist. They enjoy sports, outdoor activities, and traveling.
