• Every patient is provided complete information regarding diagnosis, treatment and prognosis, as well as alternative treatments or procedures and the possible

Landmark Surgery Center will provide you with a bill from your doctor

Responsibilities of the Patient:

• Patients are responsible for providing accurate and complete information regarding their health history, present complaints, past illnesses, hospitalizations, surgeries, existence of advance directives, medication and other pertinent data.

• Patients are responsible for providing accurate and complete information regarding their health history, present complaints, past illnesses, hospitalizations, surgeries, existence of advance directives, medication and other pertinent data.

• Patients are responsible for providing accurate and complete information regarding their health history, present complaints, past illnesses, hospitalizations, surgeries, existence of advance directives, medication and other pertinent data.

• Patients are responsible for providing accurate and complete information regarding their health history, present complaints, past illnesses, hospitalizations, surgeries, existence of advance directives, medication and other pertinent data.

risks and side effects associated with treatment. If medically inadvisable to disclose to the patient such information, the information is given to a person designated by the patient or to a legally authorized individual.

• Every patient has the right to make decisions regarding the health care that is recommended by the physician. Accordingly, the patient may accept or refuse any recommended medical treatment.

• Every patient has the right to be informed of any research or experimental projects and to refuse participation without compromise to the patient's usual care.

• Every patient has the right to appropriate treatment and care to include the assessment/management of pain.

• Every patient has the right to understand facility charges. You have the right to an explanation of all facility charges related to your health care.

• Every patient has the right to all resuscitative measures; therefore we will not honor Advance Directives.

RESPONSIBILITIES OF THE PATIENT:

• Patients are responsible to be honest and direct about matters that relate to them, including answering questions honestly and completely.

• Patients are responsible to provide accurate past and present medical history, present complaints, past illnesses, hospitalizations, surgeries, existence of advance directive, medication and other pertinent data.

• Agree to accept all caregivers without regard to race, color, religion, sex, age, gender preference or handicap, or national origin.

• Patients are responsible for assuring that the financial obligations for health care rendered are paid in a timely manner.

PREPARATION FOR ANESTHESIA AND SURGERY

ON-LINE REGISTRATION IS REQUIRED

ON-LINE REGISTRATION IS NOW AVAILABLE

To pre-register for your surgery on-line:

1. Go to our website: www.landmarksurgerycenter.com
2. Click **ONLINE CLINICAL HISTORY** on the left side of the website page.
3. Fill out the online forms to the best of your ability. Please complete both demographic and health history information. This information will help assist in the planning of your care at our facility.
4. All pre-registration forms are completely secure and only the healthcare professional directly involved in the coordination of your care will have access to this private information.
5. If you wish to print out a copy of the completed forms, you must do so **BEFORE** you hit the submit button.
6. When all forms are completed, and printed out (if desired) click **SUBMIT** at the bottom of the screen. The forms will be securely sent electronically to our facility.

314-729-0100

Thank you for taking the time to pre-register on-line.

Pre-op Testing
In some cases, pre-operative x-rays, and electrocardiogram (ECG) may be required. Please place several days before your procedure.

Pre-op Fasting
For all procedures, you must have an empty stomach. No food or drink (including water, coffee, tea, or liquids) is permitted after midnight the night before your procedure.

Medication
The anesthesiologist will review your list of medications with you. Please bring a list of all medications you are taking, including over-the-counter medications, herbal supplements, and vitamins.

Smoking and Alcohol
Cigarettes and alcohol can interfere with anesthesia. Please refrain from smoking and drinking alcohol for at least 24 hours before your procedure.
