Drs. Weinstein, Kaufman and Meinbach and staff are pleased to announce the addition of Michael D. Jurewicz, M.D. to our practice.

Michael D. Jurewicz, M.D. attended University of Michigan for his undergraduate training, Wayne State University School of Medicine for his Medical Degree and completed his urology residency training at the University Of Miami. Dr. Jurewicz also completed a Fellowship in Andrology, Infertility and Men's Sexual Health at The Smith Institute for Urology/Northwell Health in New Hyde Park, New York.

As a Urologist and Microsurgeon, Dr. Jurewicz' expertise includes kidney and bladder cancer, robotic surgery, male reconstructive and incontinence procedures, female urology and incontinence procedures, penile implant surgery, kidney stone disease, benign prostate disease, complex testosterone replacement, vasectomy reversal, varicocele repair, sperm retrieval, and Peyronies disease.

**If you would like to refer a patient to Dr. Jurewicz,  
please contact our staff at 561-964-1212**
